SHOWER ENCLOSURES - SANITARY WARE - TAPS

SCAVOLINI™

Come and discover the world of Scavolini with your own eyes. At our authorised Dealers, you will find a wide range of products on display, along with our catalogues and a wealth of informative material.

Scavolini SpA supplies this catalogue to its clientele, who are authorised to distribute it to members of the public with no restrictions. However, it may not be given, even in copied form, to anyone in business in the fitted kitchen sector (e.g. agents, dealers, etc.) anywhere in the world. Unless authorised in writing by Scavolini SpA, all breaches of the above conditions will result in prosecution.

Scavolini S.p.A. has equipped its bathrooms with a great number of accessories: high-tech elements which multiply the spaces and functions available, with an extraordinary variety of functional amenities providing a convenient solution to every smallest need. The accessories and equipment which expand the functions of Scavolini bathrooms are truly innovative in terms of technologies, materials and concept, and they are available for every model in a vast assortment giving the potential for thousands of different, convenient and practical solutions, tailored to all requirements.

Scavolini has Quality, Environmental and Occupational Health and Safety Management Systems in compliance with the UNI EN ISO 9001, UNI EN ISO 14001 and BS OHSAS 18001 standards.

All Systems are certified by the International Notified Body SGS.

In the Sunload project, Scavolini fulfilled its aim of autonomously producing green energy for its own plants. The photovoltaic system, with a total area of 57,000 m², has an envisaged annual production of 4,000,000 kWh, which to date satisfies nearly all of Scavolini's energy requirements.

The colours of the woods, laminates, lacquers and all other materials illustrated in this Catalogue may differ from the real shades for comprehensible printing reasons. Colours and shades can be consulted at any Scavolini Point of Sale, directly on products and samples.

To discover the world of Scavolini, visit www.scavolini.com, you will find a feast of information, curiosities and news about life in the kitchen.

Scavolini reserves all rights to make any changes intended to improve its products without notice. No responsibility is accepted in the event of inaccuracies in this catalogue due to printing or typing errors.

The design of Scavolini bathrooms is protected as permitted by law. In addition, some parts of the model and/or certain compositions may be subject to patents and/or registrations.
